

Technical drawing of a roof truss system. The main part shows a rectangular truss with a grid of nodes labeled T1 through T16. The truss is supported by a wall on the left and a column on the right. Dimensions are given for the truss members and the supporting wall. A section line A-A is indicated at the bottom, and a section line B-B is indicated on the left. The word 'nvlite' is written in the top left corner.
