Uus ava
1595x1560 mm

The image shows the interior of a room during renovation. The walls are covered with silver, crinkled insulation material. A window with a white frame is in the center, looking out onto a yard with a shed. To the left is a wooden bench with a white plastic bag on it. A spherical pendant light hangs from the ceiling. Two red rectangles are drawn on the wall, each with text indicating a window opening. The floor is concrete and covered with some debris.
