Heki alusele laudääre ja killustikaluse rajamine.

Killustiksaarte rajamine olemasolevale haljastusele.

A wide-angle photograph of a modern garden. The central feature is a large, vibrant green lawn. To the left, a low wall made of grey stone blocks runs along the edge, with a white gravel border and some small green plants. To the right, a wooden deck is visible, featuring several wicker chairs and a large black planter with a tree. The overall scene is bright and well-maintained.

Muru parandamine ja ebatasasuste silumine.

Terasside ühendamise suureks terrassiks (vaheosa rajamine ja terassilaudade vahetus).

Olemasoleva killustikääre laiendamine ja korrastamine, katmine jämedama killustikuga.

A photograph of a garden area. In the foreground, a curved concrete slab is visible on the right. To its left is a paved area made of rectangular stone tiles. Further back is a green lawn with two small white stakes. In the background, there are several birch trees and a building with a grey wall and a window. The text "Kiviparketi korrastamine ning laudäärisega servamine." is overlaid on the image.
